2020 EDITION

Health Canada Licensed Company

Dixon Med proudly offers a wide range of products
recognized by Healthcare Professionals.

ABOUT US

Every day, we help hundreds of healthcare professionals find the right product. At Dixon Med customer satisfaction is our top priority!

Founded in 2007, Dixon Med, a family-owned business, is one of Canada's largest distributors and suppliers of biomedical products. Our reputation and customer service is recognized by the industry and we hold a medical device license issued by Health Canada.

Today, Dixon Med proudly offers a wide range of highly specialized products to meet the needs of today's healthcare technology professionals. Whether you're looking for a battery for a medical device, a bulb, an oxygen sensor, fiber optic cable, medical grade cable, or testing equipment, we have the products you need with fast delivery to all points in Canada! We have representatives in Montreal, Ottawa, and Winnipeg.

**We have more than 1,000 different products
